PRESIDENT'S REPORT

Trustee Appointments: President Horn reported that Mayor Brown has made two new appointments as well as five re-appointments to the War Memorial Board of Trustees for Trustee terms which expired on January 2, 2001.

President Horn congratulated and welcomed Nancy Bechtle as a new member of the Board of Trustees. He noted that Mrs. Bechtle is well acquainted with the Board and the War Memorial complex, not only in her role as President of the San Francisco Symphony for the past 14 years, but in her service on the boards of the San Francisco Opera and San Francisco Conservatory of Music and as a recognized leader of cultural arts in the Bay Area. President Horn also reported that earlier this week, Mayor Brown announced his appointment of Wilkes Bashford to the Board of Trustees. He stated that Mr. Bashford will be sworn-in by the Mayor tomorrow, March 9, at 4:30 p.m., in the Board of Supervisors’ Chambers in City Hall, and that the Board will look forward to welcoming and congratulating Wilkes Bashford as a new member of the Board of Trustees at the April meeting.

President Horn remarked that in addition to the two new members, Mayor Brown re-appointed five Trustees to new four-year terms on the Board. He extended congratulations to Trustees Baliantz, Jarman, Moscone, Roth and Shultz on their re-appointments, and noted that this is the second term appointment for each of Trustees Baliantz, Jarman and Roth, and the fifth term appointment for Trustee Moscone and for Trustee Shultz.
President Horn acknowledged and thanked former Trustees Tom Noonan and David Yoder for their dedicated service to the Board from 1995 to 2001. He noted that the past six years were very significant in the history of the War Memorial and Performing Arts Center, and Trustees Noonan and Yoder provided leadership and strength to the Board during this important time. President Horn directed that a letter be sent to each of Tom Noonan and David Yoder expressing the Board’s thanks and appreciation.

Committee Assignments: President Horn stated that Trustees have today received a list of Board committee assignments for 2001. He noted that because this list was prepared prior to Mayor Brown’s appointment of Wilkes Bashford to the Board, an updated committee list would be distributed at next month’s meeting.

San Francisco Opera – General Director-Designate Pamela Rosenberg: President Horn reported that San Francisco Opera General Director-Designate, Pamela Rosenberg, who will succeed General Director Lotfi Mansouri who is retiring in August 2001, has just relocated to San Francisco, and has begun working on her future seasons which will commence in 2002. President Horn requested that staff send a letter on behalf of the Board to Ms. Rosenberg welcoming her to the War Memorial and Performing Arts Center.

REGULAR ITEMS
Requests for Veterans Building Exterior Banners: President Horn stated that since the departure of City Hall offices from the Veterans Building in 1999, there have been no exterior banners on the front of the Veterans Building. He said that during the last six months, several Veterans Building occupants have met with War Memorial staff about designing and installing new exterior banners to identify the public-oriented facilities and activities in the building, including the San Francisco Art Commission Gallery, Performing Arts Library & Museum, San Francisco Law Library, Herbst Theatre and the Green Room. President Horn stated that this group has prepared several banner design ideas for review by the Board of Trustees, and he referred this matter to the Board’s Building Committee for consideration and recommendation.

United Humanitarian Mission - Proposal for Sculpture in the Opera House: President Horn stated that Trustees have received a copy of the letter from the United Humanitarian Mission proposing to fund and establish a bust of tenor Enrico Caruso in the Opera House. President Horn referred this matter to the Building Committee and asked the Committee, as part of its consideration, to consult with the Opera House resident licensees, the San Francisco Opera and San Francisco Ballet, on this particular proposal as well as on the overall issue of artwork in the Opera House.
