COMMITTEE REPORTS

Budget & Finance Committee and Veterans Committee:

Renewal of Agreement with American Legion War Memorial Commission:

Vice President Horn reported that the Budget & Finance and Veterans Committees met in joint session on November 7, 2005, to consider renewal of the agreement between the War Memorial Board of Trustees and the American Legion War Memorial Commission. Vice President Horn gave a brief background of the 1977 agreement which set forth the permanent transfer of management and control of the Herbst Theatre and Green Room from the Commission to the Trustees, and the transfer of two Veterans Building basement spaces from the Commission to the Museum of Modern Art. The 1977 agreement specified an annual sum to be paid by the Trustees to the Commission for a four-year period, after which time the annual sum, if any, would be renegotiated based on the needs and requirements of the Commission at that time, but not to exceed the original sum. Vice President Horn stated that since 1977, the agreement was renewed for 11 two-year periods, each renewal specifying a renegotiated annual sum to be paid by the Trustees to the Commission. He noted that the last two-year renewal agreement expired on September 22, 2003.

Vice President Horn stated that the Budget & Finance and Veterans Committees previously met in 2003 and 2004 to consider this matter. In April 2004, the Board of Trustees accepted the Committees’ recommendation and approved renewing its agreement with the War Memorial Commission, however, this renewal was rejected by the Commission. He stated that in August 2005, the War Memorial Commission wrote to the Trustees stating they would accept the Trustees’ previous renewal proposal subject to one change in the wording of the agreement.

Vice President Horn reported that at the November 7 meeting, Committee members reviewed materials prepared by War Memorial staff, including a summary analysis of the Commission’s income and expenditures for the last 10 years and staff’s renewal proposal. The Committee also heard from Commission representatives, including Commission Chair Greg Corrales, Commission Secretary/Treasurer Vince Rios, and Commission member Jack Trad. He noted that during its discussion of staff’s renewal proposal, the Committee expressed concerns about the Commission’s lack of adequate financial controls and policies regarding use of veterans’ meeting rooms. Mr. Corrales acknowledged these concerns as legitimate, and said they would be addressed by the Commission.

Vice President Horn reported that following discussion, the Committee voted unanimously to recommend to the full Board that the staff proposal for renewal of the agreement between the War Memorial Board of Trustees and the American Legion War Memorial Agreement be approved. The Committee further recommended that the Commission be advised of the Trustees’ expectations that the Commission will adopt and implement adequate financial controls and policies and procedures for use of veterans’ meeting rooms, and that the Trustees’ consideration of future renewals of the agreement is conditioned upon the Commission’s doing so.

Following discussion, and on motion of Vice President Horn and seconded by Trustee Shultz, the following resolution was unanimously adopted:

RESOLUTION NO. 05-40

RESOLVED, By the Board of Trustees of the War Memorial of San Francisco that it hereby adopts the report and recommendations of its Budget & Finance Committee and Veterans Committee, and approves the renewal of the agreement between the War Memorial Board of Trustees and the American Legion War Memorial Commission for a two-year period from January 1, 2005 to December 31, 2006, with total annual fees to be paid by the Trustees to the Commission of $24,000 for 2005 and $26,000 for 2006, the agreement to be otherwise under the same terms and conditions as the previous renewal agreement; and

FURTHER RESOLVED, That the American Legion War Memorial Commission shall be advised of the Board of Trustees’ expectations that the Commission will adopt and implement adequate financial controls and policies and procedures for use of veterans’ meeting rooms, and that the Trustees’ consideration of future renewals of the agreement will be conditioned upon the Commission’s doing so.
