REGULAR ITEMS

Request from American Legion War Memorial Commission to park American Legion Post #911 van in the War Memorial parking area twenty-four hours per day: President Bechtle stated that Trustees have received a copy of the letter from Michael Gerold, Chair of the American Legion War Memorial Commission, requesting to park the American Legion Post #911 van in the War Memorial parking area behind the Memorial Court twenty-four hours per day. Ms. Murray stated that this request is brought before the Board due to policy and operational questions. She noted that it has been War Memorial policy not to allow overnight parking; the War Memorial is not currently permitted to accommodate overnight vehicle storage—which permit requires that a certain level of lighting be provided in the parking area, and the War Memorial previously denied a request from the San Francisco Opera request to park its artist van in this parking area on a full-time/overnight basis. Ms. Murray also noted that several complaints have been received that the van, where presently parked, makes it difficult for drivers to see pedestrians on the Franklin Street sidewalk when exiting the horseshoe driveway. She stated that should the Board desire to accommodate this request, staff’s preliminary suggestion would be to modify three parking spaces behind the Veterans Building—where exterior lighting is already provided—to create one space that would accommodate the oversized van without creating any visual impediments for other drivers.

In discussion, Trustee Horn suggested that before considering any policy change or modification of the parking area, staff inquire whether it would be possible to get permitted parking for the van on McAllister Street, where permitted parking was previously provided for members of the Board of Supervisors when City Hall offices were temporarily located in the Veterans Building. Following further discussion, President Bechtle continued this matter for one month, and she asked staff to investigate the possibility of permit parking on McAllister Street and/or other options for accommodating the Post #911 van and report back to the Board at the February meeting.

PUBLIC COMMENT

Mr. Paul Cox, a member of American Legion Post #315 and on the board of Swords to Plowshares, inquired about the request from Swords to Plowshares to occupy Room 212 of the Veterans Building. He said he was informed by War Memorial staff that the City Attorney has drafted, but has not yet issued, the opinion requested by the War Memorial Board of Trustees regarding this matter. He indicated that he would like a response as soon as possible as the group needs the space urgently and hopefully it will be a favorably decision. Mr. Cox requested action from the Board today that would authorize release of the City Attorney’s report to the public as soon as it becomes available, so they can be prepared to discuss the matter when it comes before the Board.

Ms. Murray stated that the City Attorney expected to issue the opinion for the Board’s January meeting but has advised that their review process is not complete and they now plan to issue the opinion for the Board’s
February meeting. She noted that in accordance with the City Attorney’s standard procedure, the opinion will be issued to the Trustees as a privileged and confidential communication; the Trustees may determine and take action to disclose the opinion and advice to the public. Ms. Murray said that such action could not be taken by the Trustees today as this matter is not identified on the agenda for today’s meeting. Ms. Murray stated that she will follow-up with the City Attorney’s Office to request that their opinion be issued to the Trustees as soon as possible prior to the February meeting of the Board.

**ADJOURNMENT**

There being no further business, President Bechtle adjourned the meeting at 2:45 p.m.
