FY 2009-10 War Memorial Departmental Budget: Ms. Murray stated that Trustees have received a high-level summary of the War Memorial's final budget for FY 2009-10 as approved by the Mayor and Board of Supervisors. She stated that the budget contains significant changes from the budget approved by the Trustees at the February 2009 meeting, including the transfer of all custodial functions from the War Memorial to the Real Estate Division of the Office of the City Administrator. Ms. Murray reported that \$2.8 million in custodial personnel, supplies and other expenditures were removed from the War Memorial budget, and replaced with a \$1.6 million expenditure to the Real Estate Division to provide custodial services for the War Memorial buildings. The net savings from this transfer was \$1.15 million, which amount was deducted from the War Memorial's FY 2009-10 Hotel Tax allocation and transferred to the General Fund.

Ms. Murray noted that the Real Estate Division's charge of \$1.6 million to the War Memorial for custodial services anticipated using the City's "Prop J" procedure to replace City custodial employees with contract employees at less cost. However, the Board of Supervisors, during their budget hearings, disapproved the contracting-out of custodial services, and restored an additional General Fund appropriation to Real Estate to cover the difference in cost between City employees and contract employees. Ms. Murray said the estimated pro-rated portion of this additional General Fund appropriation applicable to War Memorial custodial services is \$590,000; thus the adjusted savings realized from the custodial services transfer to Real Estate is approximately \$570,000. She stated that this is of particular concern as we look toward next year, as it is likely that Real Estate will look to the War Memorial to make up the additional \$590,000 which was provided by the General Fund for FY 2009-10.

DPW "Van Ness Avenue Streetscape" Project: Ms. Murray reported that in July 2006, the Trustees considered and adopted findings concerning the Department of Public Works' "Van Ness Avenue Streetscape Improvements" Project, which included new tree plantings and sidewalk planter boxes for the blocks of Van Ness Avenue between Market and McAllister Streets. At that time, the Trustees resolved that, for historic and operational reasons, the main entrances to the Opera House and Veterans Building should have no visual obstructions or additional plantings; the Trustees also resolved that the proposed addition and layout of raised planter boxes on the Van Ness Avenue sidewalk adjacent to Davies Symphony Hall should be carefully reviewed for impact on pedestrian flow and re-designed if necessary.

Ms. Murray reported that in May 2009, the War Memorial received notice from the Department of Public Works that construction of the Van Ness Avenue Streetscape Improvements had been awarded and would commence in late June 2009. In mid-July, at the War Memorial's request, the War Memorial and representatives of the Symphony met with DPW to review their proposed design for streetscape improvements on the Van Ness Avenue sidewalk adjacent to Davies Symphony Hall, which included five planter boxes inset 2 feet from the curb and measuring 5' wide by 16' to 24' in length. Based on War Memorial and Symphony input and concerns

about patron pedestrian traffic, DPW revised its plans for this location by removing the two planter boxes closest to Hayes Street and slightly reducing the length of the three remaining planter boxes. Ms. Murray reported that Streetscape Improvements have begun on the east side of Van Ness Avenue in front of City Hall, and it is anticipated that implementation of Streetscape Improvements adjacent to Davies Symphony Hall will occur before the end of the year.

Swords to Plowshares – Veteran Building Lease: Ms. Murray stated that at the June meeting, the Trustees approved entering into an agreement with Swords to Plowshares for their lease of office space on the 3rd floor of the Veterans Building. She reported that the War Memorial and Swords to Plowshares executed a lease agreement to be effective September 1, 2009, and that Swords to Plowshares is currently painting and carpeting the space in anticipation of moving in on September 14, 2009.

Patina – Status of Investment for Improvements: Ms. Murray stated that as provided in the new Food and Beverage Concession Agreement with Patina Catering, Patina will expend \$500,000 during the original five year term of the agreement for improvements to food and beverage facilities. She reported that several of the agreed-upon improvements have been implemented, including:

- Purchase and installation of Micros “Point of Sale” system in the Opera House and Davies Symphony Hall, providing the ability to accept major credit cards at all food and beverage sales locations, which is expected to reduce concession lines and improve patron service and sales.
- Replacement of the Opera House Lower Lounge Café chairs with new Chivari chairs and chair covers, and new silverware for use in the Opera House Café.
- Purchase of new sign holders for new directional and menu signage in the Opera House and Davies Symphony Hall.

Other Opera House Improvements: Ms. Murray reported that the San Francisco Opera has just completed upgrades to the décor and furnishings in the Opera House Intermezzo Lounge on the box level. The Opera and War Memorial have as well implemented décor and furnishing upgrades in the Opera House Press Room and first floor dressing rooms.

Trustee Bashford, Chair of the Presentors Liaison Committee, reported that the Committee met earlier today to consider and adopt recommendations on one item.

Request from Patina Catering – Pricing increase for beverage concession items at Davies Symphony Hall:

Trustee Bashford reported that the Committee considered the request of Patina Catering to increase pricing for beverage concession items in Davies Symphony Hall and Herbst Theatre to the beverage pricing levels previously approved by the Board in February 2008 for the Opera House. He stated that the Committee heard from Patina representatives and reviewed materials provided by staff including Patina's pricing chart from 1998-2008, and a price comparison of selected beverage items from similar local venues.

Trustee Bashford stated that following discussion, the Committee voted unanimously to recommend approval of Patina's pricing request. Following discussion, and on motion of Trustee Jarman, seconded by Trustee Moscone, the following resolution was unanimously adopted:

RESOLUTION NO. 09-36

RESOLVED, By the Board of Trustees of the War Memorial of San Francisco that it hereby adopts the report and recommendation of its Presentors Liaison Committee, and approves Patina Catering's proposal to increase pricing for beverage concession items at Davies Symphony Hall and Herbst Theatre to the beverage pricing previously approved by the Board for the Opera House.

REGULAR ITEMS:

San Francisco Symphony Request to install banners in Davies Symphony Hall windows: President Bechtle stated that Trustees have received a copy of the request from the San Francisco Symphony to install banners in windows of Davies Symphony Hall for the Symphony's 2009-10 Season, from September 2009 through June 2010, including:

- Five double-sided banners measuring 5' wide by 12' tall, installed in alternating window bays in the Orchestra level lobby, including 2 banners stating "San Francisco Symphony," 2 banners picturing instruments and stating "09-10 season," and 1 banner stating "San Francisco Arts Commission" in recognition of the Arts Commission's partnership with the Symphony sponsoring 12 concerts during the 2009-10 Symphony Season.
- One single-sided mesh banner, measuring 7' wide 15' tall and picturing Symphony Music Director Michael Tilson Thomas, installed in the south-facing First Tier window, designed to be viewed from the exterior south side of the Hall.

President Bechtle noted that the Symphony has stated they will remove the banners if requested by the War Memorial for non-Symphony bookings of Davies Symphony Hall.

Following discussion, and on motion of Trustee Myatt, and seconded by Trustee Farrow, the following resolution was unanimously adopted:

RESOLUTION NO. 09-37

RESOLVED, By the Board of Trustees of the War Memorial of San Francisco that it hereby approves the request of the San Francisco Symphony to install banners in windows of Davies Symphony Hall for the Symphony's 2009-10 Season, from September 2009 through June 2010.

Additional Extension of Agreement between the War Memorial Board of Trustees and American Legion War Memorial Commission: President Bechtle reported that at the March meeting, the Trustees approved a

second extension of the current agreement between the War Memorial Board of Trustees and the American Legion War Memorial Commission for a period of up to three months through June 30, 2009. The Trustees asked that during this three-month period, the Commission meet with War Memorial staff to review the roles and responsibilities of the parties and to develop and submit budget information on the Commission's income and expenditures related to administering and scheduling uses of the Veterans Building space allocated for the American Legion Posts' use.

President Bechtle stated that at the June meeting, staff reported that attempts to meet with the Commission during the previous three months had been unsuccessful, and the Board approved a third three-month extension of the current agreement through September 30, 2009, and again asked the Commission to meet with War Memorial staff as previously directed by the Board. President Bechtle stated that staff has included on today's agenda the consideration and possible action on, an additional extension of the agreement with the Commission, as staff's attempts to meet with the Commission during the last three months have been again unsuccessful. She stated that staff advises that Commission Chair Michael Gerold has tentatively scheduled a meeting with staff for 4:00 p.m. today to discuss the agreement as requested by the Trustees.

In discussion, Trustee Horn asked Michael Gerold, who was present, if he could confirm his meeting with War Memorial staff this afternoon. Mr. Gerold responded that he could not confirm whether or not his finance officer could be present, and if not, they would be available to meet next week.

Ms. Murray stated that it would be staff's recommendation that any additional extension of the current agreement be for no more than 30 days as the Trustees have already extended the agreement on three occasions and the Commission has continued to promise to provide, but has not provided, necessary data and information to the War Memorial.

Following discussion, and on motion of Trustee Davis, seconded by Vice President Shultz, the following resolution was unanimously adopted:

RESOLUTION NO. 09-38

RESOLVED, By the Board of Trustees of the War Memorial of San Francisco that it hereby approves an additional extension of the agreement between the War Memorial Board of Trustees and the American Legion War Memorial Commission for 30 days through October 31, 2009.

Fair Political Practices Commission regulation regarding "Gifts: Tickets or Passes to Events": President Bechtle stated that Trustees have today received a copy of a memorandum to Trustees from Deputy City Attorney Andrew Shen regarding "New Gift Rules on the City's Distribution of Tickets and Passes." Trustees have also received a draft resolution adopting a new policy regarding the War Memorial's distribution of tickets and passes. She noted that Deputy City Attorney Andrew Shen is present to answer any questions from Trustees.

President Bechtle reported that this memo and draft policy arise from recent changes made by the California Fair Political Practices Commission ("FPPC") to regulations governing the distribution of free and discounted tickets and passes to public officers and employees. The updated regulations provide that the distribution of a ticket or pass by an agency to a public official constitutes a gift to the public official unless such distribution meets specific criteria and is made in accordance with a written policy adopted by the governing body of the agency setting forth specific requirements. President Bechtle stated that the draft policy distributed to Trustees incorporates the provisions required under the FPPC regulations.

Ms. Murray stated that on behalf of the War Memorial, the Office of the City Attorney has submitted a list of questions to the FPPC for clarification on several applications of the policy. She said that staff would apprise the Trustees of any additional information provided by the FPPC and, if necessary, submit policy revisions for the Board's consideration.

Following discussion, and on motion of Trustee Horn, seconded by Vice President Shultz, the following resolution was unanimously adopted:
