Ms. Murray reported that since the Opera House Project, Tara Lamont has been overseeing construction projects at the University of California at Berkeley; most recently she has been Interim Director of Design & Construction at the University of California Office of the President where she had oversight responsibilities for the $9 billion capital program across 10 campuses and 5 medical centers. Tara Lamont will officially start on March 1, 2011.

These improvements, approved by the Board of Trustees in August 2010, are part of Patina’s $500,000 investment during the five-year original term of its Food and Beverage Concession agreement with the War Memorial. Ms. Murray encouraged Trustees to view the upgraded intermission bars.

SECRETARY’S REPORT

Annual Statements of Economic Interest: Ms. Norris reminded Trustees that all members of City boards and commissions must file Annual Statements of Economic Interest and Sunshine Ordinance Declarations with the Ethics Commissions no later than April 1, 2011. She also stated that public officials are required to receive annual training on open meetings, conflict of interest and ethics laws.

REGULAR ITEMS

President Shultz stated that the Board’s Budget and Finance Committee was unable to schedule a meeting prior to today’s full Board meeting; therefore, the Trustees will today consider proposed rental rates and the proposed departmental budget for Fiscal Year 2011-12. She asked Beth Murray to present these items to the Board.
Proposed Rental Rates for Fiscal Year 2011-12: Ms. Murray stated that in advance of today’s meeting, Trustees have received staff’s proposed rental rates for Fiscal Year 2011-12. She noted that while it has been the practice of the War Memorial to raise rental rates every other year, and while the War Memorial increased rental rates last year for FY 2010-11, the proposed rental rate increase for FY 2011-12 is for the specific purpose of generating additional revenue to pay the new Civic Center Community Benefit District assessment to the War Memorial effective July 1, 2011. Ms. Murray stated that during the Board’s consideration of the Civic Center Community Benefit District, it was determined that in order to cover the new CBD assessment – amounting to $56,252 for FY 2011-12 – the War Memorial would need to raise rental rates by an average 3%. She stated that each of the resident licensees, the San Francisco Ballet, Opera and Symphony, were in favor of the Civic Center CBD and agreed to accept the 3% rental rate increase to cover this expense.

Ms. Murray stated that the rental rate proposal lists all current rental categories, the current rates and the proposed increased rates for FY 2011-12. She noted that proposed rate increases do not reflect an across-the-board 3% increase, but when applied to projected rental uses, the proposed rate increase results in an average 3-4% overall increase to our resident licensees and will generate the necessary earned revenue to cover the new CBD assessment.

Following discussion, and on motion of Trustee Bechtle, seconded by Trustee Horn, the following resolution was unanimously adopted:

RESOLUTION NO. 11-05

RESOLVED, By the Board of Trustees of the War Memorial of San Francisco that it hereby approves rental rate increases for FY 2011-12 as proposed by staff.

War Memorial Departmental Budget for Fiscal Year 2011-12: Ms. Murray reported that in advance of today’s meeting, Trustees have received staff’s proposed budget for Fiscal Year 2011-12, as well as detailed summaries of staff’s projected earned revenues and expenditures. Ms. Murray reviewed the following:

Revenue:

- **Hotel Tax Revenue**: Per instructions from the Mayor’s Budget Office, the proposed budget includes the same amount of hotel tax revenue as the current year, $8.8 million. This is approximately $3 million below the hotel tax allocation to the War Memorial under the Municipal Code.

- **Earned Revenue**: Earned revenue is projected to total $2.16 million for FY 2011-12. This represents a total increase of $137,764 over budgeted earned revenue for the current year, and includes an increase of $73,733 for projected activity changes and an increase of $64,000 from rental rate increases for the new Civic Center CBD assessment.

- **Interdepartmental Recovery**: Interdepartmental Recovery is revenue received from other City departments for Veterans Building occupancy fees, and for City budgeting reasons, Interdepartmental Recovery is listed in the budget as negative expenditures rather than as revenue. For FY 2011-12, total Interdepartmental Recovery is projected at $268,673, an increase of $52,594 over the current year. This increase is due to the 3% rental rate increase and the inclusion of $46,000 from Department of Environment for Veterans Building occupancy fees which is not reflected in the current year budget.

Expenditures:

- **Operating Expenditures**: Total operating expenditures are projected at $11,492,099, an increase of $13,034 or .1% over current year operating expenditures. Major changes from the current year operating budget include:
  - Annualization of current year salaries (COLAs) $ 59,415
  - Increase in Fringe Benefits on current salaries 65,800
  - New 7334 Stationary Engineer position (eff. 10/1/11) – Salary/Fringes 84,723
  - New 3417 Gardener position (eff. 10/1/11) – Salary/Fringes 66,198
  - Offset for reduction in work order to Rec/Park for Gardener position < 92,541>
Net adjustments in Temporary Salaries, Premium Pay, Overtime, Holiday Pay and associated fringes 16,300
Scavenger Service (estimated 8.8% increase) 20,000
Building Maintenance Services (estimated 7.7% increase) 24,083
New Software maintenance costs for Artifax (automated booking) 10,850
New Civic Center Community Benefit District assessment 56,252
Net change in Materials & Supplies < 15,200>
Services of Other Departments:
  Controller’s Audits < 30,000>
  City Attorney fees < 19,000>
  GSA – Facilities Maintenance – Custodial Services 182,942
  Workers Compensation < 56,308>
  Utilities (light, heat & power, sewer and water) < 17,526>

- **Capital Expenditures**: Total Capital Expenditures of $897,489 for annual Facilities Maintenance and two Capital Improvement project items, including:
  - Annual Facilities Maintenance $490,500
  - Capital Project – Veterans Building Project Manager 56,989
  - Capital Project – Davies Symphony Hall Elevator Modernization 350,000 (Phase 1 of 4)

Ms. Murray reported that total revenues less expenditures leave a shortfall/deficit of $1,153,067. As in prior years’ budgets, staff’s proposed budget covers this shortfall by using funds from the War Memorial Unappropriated Special Fund. The current Special Fund balance is $1,411,080, and with the use of $1.15 million to balance the FY 2011-12 budget, the new Special Fund balance will be $258,000.

Following discussion, and on motion of Vice President Myatt, seconded by Trustee Moscone, the following resolution was unanimously adopted:

**RESOLUTION NO. 11-06**

RESOLVED, By the Board of Trustees of the War Memorial of San Francisco that it hereby approves the Fiscal Year 2011-12 Departmental Budget as presented by staff

**Symphony proposal for donor recognition signage in Davies Symphony Hall**: President Shultz stated that Trustees have received a copy of the letter from the San Francisco Symphony requesting to install two donor recognition areas in the Grove Street lobbies of Davies Symphony Hall. President Shultz referred this request to the Building Committee for consideration and recommendations to the full Board.

**ADJOURNMENT**

There being no further business, President Shultz adjourned the meeting at 2:35 p.m.
