War Memorial Board of Trustees 401 Van Ness Avenue, Room 110 San Francisco, CA 94102

Dear Trustees,

We are writing to respectfully request approval to spend all facility fee funds currently treasured by the San Francisco Ballet and San Francisco Opera for the War Memorial Opera House seating replacement.

Expenditures of funds will cover the costs of general management, implementation of final design, manufacture, construction, and installation of replacement seating for the War Memorial Opera House auditorium in its Orchestra, Grand Tier and Dress Circle levels.

This final phase of the seating replacement will build on the success of the Balcony level seating replacement. The current phase of the project is being managed by the Shalleck Collaborative, with seating design and fabrication by DuCharme. If this request is approved, the Ballet and Opera intend to move forward with contracting Bevilacqua and Sons, Inc., as general contractor.

The current estimated project budget, facility fee funds treasured, and estimated shortfall are as follows:

- Total Estimated Project Budget: \$3,530,000
- Total Facility Fee Funds treasured by San Francisco Ballet: \$1,873,891
- Total Facility Fee Funds treasured by San Francisco Opera: \$1,339,655
- Estimated Shortfall: \$316,454

The Ballet and Opera are in positive negotiations to secure an advance to cover the above referenced budget shortfall, which will be reimbursed from facility fee funds following the reopening of the War Memorial Opera House and resumption of collection of facility fees from patrons.

The seating replacement project will trigger required ADA upgrades to lobby spaces and restrooms. This work falls outside the scope of the project, and will be managed and funded separately.

Aspects of the seating, floor, subfloor and covering are still under development, and costs may change as the design evolves. Likewise, disruptions or significant changes to the construction and installation schedule, or changes in chair quantity and layout, may alter the total contract amount. The project management team will continue to look for opportunities to reduce costs while delivering a significant improvement to the audience experience.

We are excited to complete this important project, which will have a positive impact on the patron experience not just for our companies, but for all War Memorial licensees that use the War Memorial Opera House for generations to come.

We appreciate your kind consideration of this request.

Sincerely,

Kelly Tweeddale Executive Director

San Francisco Ballet

Matthew Shilvock General Director

San Francisco Opera

Q: What is a "Consent Agenda" and how will it make our meetings go faster?

At every board meeting, at least a few items come to the agenda that do not need any discussion or debate either because they are routine procedures or are already unanimous consent. A consent agenda (Roberts Rules of Order calls it a consent calendar) allows the board to approve all these items together without discussion or individual motions. Depending upon the organization, this can free up anywhere from a few minutes to a half hour for more substantial discussion.

What belongs on the consent agenda?

Typical consent agenda items are routine, procedural decisions, and decisions that are likely to be noncontroversial. Examples include:

- · Approval of the minutes;
- Final approval of proposals or reports that the board has been dealing with for some time and all members are familiar with the implications;
- Routine matters such as appointments to committees;
- Staff appointments requiring board confirmation;
- Reports provided for information only;
- Correspondence requiring no action.

How are items on a consent agenda handled?

A consent agenda can only work if the reports and other matters for the meeting agenda are known in advance and distributed with agenda package in sufficient time to be read by all members prior to the meeting. A typical procedure is as follows:

- 1. When preparing the meeting agenda, the president or chairperson determines whether an item belongs on the consent agenda.
- 2. The president prepares a numbered list of the consent items as part of, or as an attachment to the meeting agenda.
- 3. The list and supporting documents are included in the board's agenda package in sufficient time to be read by all members prior to the meeting.
- 4. At the beginning of the meeting, the chair asks members what items they wish to be removed from the consent agenda and discussed individually.
- 5. If any member requests that an item be removed from the consent agenda, it must be removed. Members may request that an item be removed for any reason. They may wish, for example, to discuss the item, to query the item, or to register a vote against the item.
- 6. Once it has been removed, the chair can decide whether to take up the matter immediately or place it on the regular meeting agenda.
- 7. When there are no more items to be removed, the chair or secretary reads out the numbers of the remaining consent items. Then the chair states: "If there is no objection, these items will be adopted." After pausing for any objections, the chair states "As there are no objections, these items are adopted." It is not necessary to ask for a show of hands.
- 8. When preparing the minutes, the Secretary includes the full text of the resolutions, reports or recommendations that were adopted as part of the consent agenda.

How to start using a consent agenda

In order to start using a consent agenda, the board should first adopt a rule of order allowing for the consent agenda process.

Commemoration of the 75th Anniversary of the Signing of the UN Charter:

President Horn stated that in 1945, with the world in its sixth year of global war, the focal point was San Francisco and the War Memorial Opera House and Veterans Building, which served as the birthplace of the United Nations. He further stated that most of the plenary sessions of the Conference took place in the War Memorial Opera House, but it was on the stage of the Veterans Auditorium, now the Herbst Theatre, that President Truman and other heads of state signed the United Nations Charter on June 26, 1945, during what at the time was the largest international gathering to ever take place

President Horn said that typically the War Memorial would host an event, but unfortunately, due to the current COVID-19 closures, we are unable to come together to celebrate. He invited Charlotte Shultz, Vice President of the War Memorial Board of Trustees, and Chief of Protocol for both the State of California and the City and County of San Francisco, to share a few words.

Vice President Shultz stated that she first became involved with the United Nations Celebrations during the 20th Anniversary, and has had the opportunity and pleasure of being involved with the 25th, 30th, 35th, 40th, 45th and 50th United Nations Celebrations. She shared that this year's celebration would be online by video, and that she hopes everyone will watch it. She also said everyone is proud of the beautiful buildings here at the San Francisco War Memorial and Performing Arts Center, and proud of the City and County of San Francisco.

Resident Company Update:

President Horn stated that our resident companies continue to be impacted by the COVID-19 closures. He again invited the leadership of the San Francisco Ballet, San Francisco Opera and San Francisco Symphony to update the War Memorial Board on the status of their respective organizations.

Kelly Tweeddale, Executive Director of the San Francisco Ballet, thanked War Memorial staff for making it possible for the San Francisco Ballet to have a safe load-out of equipment from the War Memorial Opera House. Ms. Tweeddale reported that the Ballet's concerns are its finances, and returning dancers to training and company class. She said the Ballet plans to announce a new season called "A Leap of Faith," which will be performed either digitally, physically, or both.

Matthew Shilvock, General Director of the San Francisco Opera, noted the Opera's Summer Season would have opened tomorrow, and that it is sad to see the season lost. Mr. Shilvock stated that although the Opera does not have an announcement about the fall season, at this time he thinks it is likely it will be canceled. He said canceling the fall season would be a financial catastrophe for the San Francisco Opera. Mr. Shilvock stated that the Opera opened its Scene Shop in Burlingame a few weeks ago, and they are active in digital content and keeping people connected to the Opera through streaming content or live content presented outdoors.

Mark Hanson, Executive Director of the San Francisco Symphony, stated that the San Francisco Symphony is restructuring its Administrative Team and making re-entry plans, which will allow the San Francisco Symphony to perform digital concerts for current audiences and to hopefully attract new audiences. Mr. Hanson said that the Symphony is in the midst of a month-long digital celebration of Music Director Michael Tilson Thomas' 25-year tenure with the San Francisco Symphony. Mr. Hanson noted the Symphony looks forward to performing solo and small ensembles in War Memorial spaces once it has an approved health plan.

MANAGING DIRECTOR'S REPORT

Recovery Efforts and Safety Planning:

Director Caldon stated that War Memorial staff continues to support the City's response efforts with 15 employees working as Disaster Service Workers at the Emergency Operations Center, General Hospital, and the City's temporary residential hotels. Staff is also working directly with our resident companies to design and implement safety plans so that work in the buildings may resume. He thanked Assistant Managing Director Jennifer Norris for leading the effort to facilitate the safe reopening of shops and resumption of load-out activity.

Director Caldon said he is also working to play an active role in the City's reopening plans for public assembly venues. City Administrator Naomi Kelly named him to a Large Venue Reopening Working Group, which is collaborating on guidelines to be proposed to the Department of Public Health for the reopening of both publicly and privately held venues, such as the War Memorial, Broadway SF, Oracle Stadium, and the Chase Center.

Staff Change:

Christopher Muyo, War Memorial Chief Financial Officer, announced he has accepted a new position as Chief Administrative Officer of Enrollment Management at the University of California, Davis. He thanked the War Memorial Board of Trustees for their support during his tenure.

SECRETARY'S REPORT

Update on the War Memorial Opera House Seating Project:

Assistant Managing Director Norris reminded Trustees that at the April 2020 meeting they voted to not proceed with the Opera House Seat Project during May 2021 and July 2021 in hopes that the time could be used for performances should reopening venues be permitted. She reported that in the past several weeks she has been meeting with various consultants to ascertain if it is possible to replace the War Memorial Opera House Orchestra, Grand Tier and Dress Circle seats during this extended closure of the Opera House.

Ms. Norris stated three different seat samples have been ordered and arrangements will be made for Trustees to review the samples once they arrive. She further stated that she is working with the Department of Public Works' Bureau of Architecture on ADA upgrades that will be required as part of the seat replacement project. Ms. Norris said that she met with a carpet consultant who stated the carpet is in good condition, and that she has a back-up plan to reupholster seat bottoms only if the Opera House reopens sooner than anticipated, which might leave insufficient time for a full seat replacement project.

COMMITTEE REPORT

War Memorial Revised Departmental Budget for Fiscal Years 2020-20 and 2021-22:

Trustee Lui, Chair of the Budget and Finance Committee, stated that earlier today, June 11, 2020 at 1:30 p.m., the Budget and Finance Committee met to consider the War Memorial Revised Departmental Budget for Fiscal Years 2020-21 and 2021-22.

Chair Lui stated that the Committee reviewed staff's Proposed War Memorial Revised Departmental Budget for Fiscal Years 2020-21 and 2021-22, including revenue and expenditures, operating costs, debt service, facilities maintenance, and capital budgets. These proposals are significantly different than the budget approved in February 2020. Staff has revised the budget to compensate for revenue losses related to the ongoing closure of War Memorial facilities to prevent the spread of COVID-19. Chair Lui reported that the Budget Committee agreed the Budget was prudent and conservative, and recommended its approval by the full Board.

On motion of Trustee Lui, seconded by Trustee Moscone, the War Memorial Proposed Revised Departmental budget for Fiscal Years 2020-21 and 2021-22 was unanimously approved.

RESOLUTION NO. 20-26

RESOLVED, By the Board of Trustees of the War Memorial of San Francisco that the War Memorial Revised Departmental budget for Fiscal Years 2020-21 and 2021-22 is hereby approved.

President Horn asked for a motion to approve as submitted: the minutes of the April 23, 2020 regular meeting of the Board; Rental Requests for June 11, 2020; Rental Refund Requests for June 11, 2020; and the April 30 and May 31, 2020 Revenue, Appropriations and Housekeeping Expenditures Reports.

On motion of Trustee Pelosi, seconded by Trustee Wilsey, the following resolution was unanimously adopted:

GOOD AND WELFARE

Trustee Pelosi complimented the Budget Committee for doing a "great job," and said that Director Caldon made an excellent presentation of the budget to the War Memorial Trustees.

Trustee Levin stated that with everything that has been going on, Memorial Day went by without any celebrations for American soldiers. Trustee Levin requested that today the War Memorial Board adjourn the meeting in honor of the one million Americans that were killed in wars while serving in the American Armed Forces of the United States.

Trustee Myatt said that the World War II Committee partnered with the Academy of Art University to work on eight banners commemorating World War II and the founding of the United Nations. Trustee Myatt said he hopes the Committee can bring the banners before the War Memorial Board before the anniversary of V-J Day so the banners can be posted in the Veterans Building.

PUBLIC COMMENT

Public comment is an opportunity for members of the public to directly address the Trustees on items within the subject matter jurisdiction of the Board, but not on the agenda.

President Horn stated that during the COVID-19 health emergency while Trustees are meeting remotely, members of the public may address the Board by emailing their public comment to WarMemorialBoard@sfgov.org, or by leaving public comment as a voicemail at 415-554-6308, in advance of Board meetings. President Horn also invited the public to leave additional public comment until 12:00 p.m. on War Memorial Board meeting days.

BUDGET AND FINANCE COMMITTEE MEETING

Thursday, June 11, 2020

War Memorial Revised Departmental Budget for Fiscal Years 2020-21 and 2021-22:

Chair Lui stated that in order to slow the spread of COVID-19, large sectors of the economy have been closed, including performing arts venues such as the War Memorial. This has resulted in significant decreases in tax collection and other City revenues. So that the Mayor may submit a balanced budget to the Board of Supervisors, Mayor Breed has instructed all City departments to revise and re-submit their departmental budgets. Chair Lui said that today the Budget and Finance Committee will consider the revised proposed departmental budget drafted by War Memorial Staff.

Chair Lui said that staff is not recommending any changes to the rental rates approved by the Budget Committee and the full Board on February 13, 2020, therefore rental rates will not be considered at the meeting today.

Chair Lui stated that in advance of today's meeting, Committee members received staff's revised budget presentation document and a detailed summary of staff's revised budget proposal for the next two fiscal years. Chair Lui asked John Caldon, Managing Director, to review staff's proposed departmental budget.

Director Caldon noted that the budget is based on significant assumptions about when public health officials will allow performing arts venues to reopen. To contextualize staff's proposed budget, Director Caldon reviewed with the Committee the War Memorial's historic mission: "The San Francisco War Memorial and Performing Arts Center manages, operates, and maintains safe, accessible, world-class venues to promote cultural, educational and entertainment opportunities in a cost-effective manner for the enjoyment of the public, while best serving the purposes and beneficiaries of the War Memorial Trust."

Director Caldon stated he felt it was useful to reframe the department's mission during the COVID-19 pandemic to more accurately reflect our support of the City's current needs. This temporary mission is: "The San Francisco War Memorial & Performing Arts Center supports the City's COVID-19 efforts by deploying staff as Disaster Service Workers, providing use of facilities to support emergency response needs, and maintaining safe spaces for essential workers, tenants, and Trust beneficiaries, all while executing targeted maintenance and building upgrades to provide a safe environment for patrons following reopening."

Director Caldon explained that in order to project earned revenues, he estimated a reopening timeline based on the stages of reopening as defined by Governor Newsom and the Department of Public Health. Staff is projecting The Green Room might reopen as early as April 2021, but that fixed-seat venues will not reopen for 18-24 months, with performances possibly resuming in December 2021. Based on these assumptions, staff used percentages to estimate revenue, starting with 25% capacity in the fourth quarter of Fiscal Year 2021-22, and expanding by 10-15% each quarter until average rental volumes are regained in Fiscal Year 2022-23.

Director Caldon said that as a Special Fund Department, the War Memorial is not subject to the 10% target cut for General Fund departments, but must offset earned revenue losses projected to be \$2.8 million in Fiscal Year 2020-21 and \$1.8 million in Fiscal Year 2021-22. Savings are being realized through attrition by holding vacant 11.35 full-time positions, as well as operational savings made possible by the closures, including a reduction in the work order for custodial service from the Real Estate Division and reduced utility costs.

Director Caldon noted that General Fund operating support is currently not decreasing. The budget also reflects funding levels of \$2.7 million in Fiscal Year 2020-21 and \$4.4 million in Fiscal Year 2021-22 from the Capital Planning Committee for replacement of Davies Symphony Hall passenger elevators and the War Memorial Opera House mansard roof.

Director Caldon stated that War Memorial Fund Balance revenue reflects the use of unappropriated funds accrued from prior year revenue overages and expenditure savings, including \$750,000 of Fund Balance to be used in Fiscal Year 2020-21 and \$750,000 to be used in Fiscal Year 2021-22.

Following discussion, on motion of Trustee Pelosi, seconded by Trustee Moscone, the following recommendation was adopted after a unanimous roll call vote of Committee members:

RECOMMENDED.

To the Board of Trustees of the War Memorial of San Francisco that it approve staff's proposed revised War Memorial Departmental Budget Requests for Fiscal Years 2020-21 and 2021-22.

PUBLIC COMMENT

Chair Lui called for public comment on items within the jurisdiction of the Budget and Finance Committee of the Board of Trustees, but not on the agenda.

Andrew Dubowski, Senior Director of Operations for the San Francisco Symphony, requested that the Davies Hall Elevator Replacement Project be fast-tracked during the building closure if possible.

There being no further public comment, Chair Lui closed public comment.

ADJOURNMENT

There being no further business, Chair Lui adjourned the meeting at 2:20 p.m.
